SUBJECT: Water safety information for We Film Productions LLC

Dear Meghan Statts,

I will be providing water safety support for We Film Productions LLC still photo shoot at Aweoweo Beach, one day between 10/27-31/14 from 8-11 am for their "*Chocolate Snack Bites*" TV commercial. As far as I am aware, the shoot will be taking place inside the reef area.

I will advise the cast and crew of any hazards and risks with the water activity. I will conduct a water safety briefing with the cast and crew and include water safety information on the call sheet. I will stay close to the talent as possible without impeding the filming activity. The depth of the water will be shallow to a little overhead with a rising tide. I will be standing by with a rescue board, mask, snorkel, fins, cell phone, and first-aid kit in case of emergency.

I am currently a Firefighter with the Honolulu Fire Department. My certifications are attached.

Sincerely,

John Smith

Dear Meghan Statts,

To meet the film permit requirements for, "*Chocolate Snack Bites*," Water Safety Inc. will be providing water and ocean safety on the following dates and at the following place:

Wednesday, October 29, 2014 at Kawaikui Beach from 6am to 6pm. I'm sending this information on behalf of We Film Productions LLC. We will be using the following registered rescue watercrafts/jet skis:

HA # 0888 CC (operated by Joe Smith)
HA # 0813 CC (operated by Jack Smith)

We will advise the cast and crew of any hazards and risks with the water activity. We will conduct a water safety briefing with the cast and crew and include water safety information on the call sheet. We will stay close to the talent as possible without impeding the filming activity. In the event of an emergency, we will use the watercrafts to perform rescue operations and provide any necessary first aid or life support to the individual(s). We will have a first aid kit on site in case and a marine VHF radio and cell phones to contact emergency personnel for assistance. We will have information on site as to the nearest Emergency room as well. Our Red Cross and DLNR-DOBOR certifications are attached for each watercraft/jet ski operator.

Mahalo and Aloha,

John Smith

If you have any questions please call John Smith at (808) 638-9287.
