Automobile Liability – Other Combined Single Limits that area Acceptable for Standard Film Permits:

The State’s preferred auto liability limits are:

- $1 million bodily injury per person,
- $1 million bodily injury per accident and
- $1 million property damage per accident

On an Accord COI, the Auto Liability would look like:

</table>

Note: The type of auto liability provided (any auto, all owned auto, etc.) will depend on what the production has purchased as part of their auto liability. We do not require that all of the options are provided.

If your production cannot provide the State’s preferred auto liability limits, either of the following 2 options can be accepted:

Option 1:
If the production has combined single limit of $1 million, they can provide excess (or umbrella) liability. They only need to provide $1 million of excess liability.
On an Accord COI, the Auto Liability would look like:

Note: The type of auto liability provided (any auto, all owned auto, etc.) will depend on what the production has purchased as part of their auto liability. We do not require that all of the options are provided.

Option 2:

If the production has combined single limit of $1 million, they can increase the combined single limit to $2 million to meet the State’s needs.

On an Accord COI, the Auto Liability would look like:

Note: The type of auto liability provided (any auto, all owned auto, etc.) will depend on what the production has purchased as part of their auto liability. We do not require that all of the options are provided.
