

BROKER / INSURANCE COMPANIES

This list includes the names of brokers/insurance companies in Hawaii that have provided insurance for film productions in the past. This list is by no means exhaustive and should in no way be considered an endorsement by the State of Hawaii of the insurance services provided by these companies. You are responsible for conducting your own due diligence in determining what broker/insurance company, if any, to retain. It is also noted that some productions purchase insurance from Mainland brokers/insurance companies.
