

## STANDARD FILM PERMIT CHECKLIST:

Please submit a signed copy of this checklist along with each application. Please check all that apply.

*I am submitting the following documents for my project:*

**STANDARD FILM PERMIT** : \_\_\_\_ Locations     **WATER ACTIVITY**     **DRONE ACTIVITY**

**A complete application will include the below documents COMBINED INTO A SINGLE PDF in the following order for EACH location listed on your General Page : (\* = if applicable)**

- You must print your General and Specifics Pages to a PDF so that it is “flattened” PRIOR to combining them to avoid any formatting errors.
- General Page :Applicant name must match COI)*
- Specifics Page : for each location listed on the General Page and signed)*
- Detailed Map : corresponding to each Specifics page)*
- \* *Water Safety Letter: meets header requirements provided online and includes any vessel #'s if any.*
- \**Water Safety Certification: Matches name listed on the Water Safety Letter*
- \**Boat Reg: Attach a copy for all/any motorized vessels involved. Reg#'s must also be listed on Water Safety Letter and Sec.11 on Specifics Page match. Cannot be EXPIRED.*
- \**Captains Lic. :must be different from water safety person.Cannot be EXPIRED..*
- \***Drone Questionnaire**
- \***Drone Flight Plan**
- \***Drone Operator Lic.: Issued by FAA. (Recreational certificates are NOT acceptable)**
- \***Drone Reg .**
- \***Drone COI: Meets all requirements listed online**
- Production COI -always last : Meets all requirements provided online*

I am submitting my film permit application under the required format listed above.All required documents are correct and meet all of the requests listed on this page as well as online. I have read and checked off each document being submitted.
