SUBJECT: Water safety information for We Film Productions LLC

Dear Jenna Kawasugi,

I will be providing water safety support for We Film Productions LLC still photo shoot at Aweoweo Beach, one day between 1/29-1/31 from 8-11 am for their "*Chocolate Snack Bites*" TV commercial. As far as I am aware, the shoot will be taking place inside the reef area.

I will advise the cast and crew of any hazards and risks with the water activity. I will conduct a water safety briefing with the cast and crew and include water safety information on the call sheet. I will stay close to the talent as possible without impeding the filming activity. The depth of the water will be shallow to a little overhead with a rising tide. I will be standing by with a rescue board, mask, snorkel, fins, cell phone, and first-aid kit in case of emergency.

I am currently a Firefighter with the Honolulu Fire Department. My certifications are attached.

Sincerely,

John Smith
